MONTHLY GENERAL MEETING:

SPECIAL INTEREST GROUPS (SIGs):

- Usually held 3rd or 4th Mondays of month
- 7:00 to 8:45ish pm

Presentations:

- These are similar to the General Meeting presentations, but since we don't have two general meetings a month, we are calling them presentations.

Computer SIG:

- Perennial favourite!
- Presentations to keep us up-to-date on all the technological aspects of genealogy

12 Heads Are Better than 1 SIG:

- This SIG has become very much anticipated and returns for its fourth year
- We all have experience & expertise to share
- 15-20 minute presentation on evening's theme
- Open for members to share resources & experiences or seek assistance from other members
- 12 Heads may break down brick walls when 1 head is stuck!
